Sixteenth Sunday in Ordinary Time

Two years ago, Pope Francis established the World Day for Grandparents and the Elderly, to be celebrated every year on the fourth Sunday of July. The pope spoke of grandparents providing a younger generation a link to generations who have passed away. We are called to value and heed the wisdom and experience of our elderly. In today's Gospel, Jesus compares the kingdom of heaven to a tiny mustard seed that over time grows to be a huge bush. Today's elderly were all once tiny mustard seeds themselves. With the Lord's blessings, they have persevered and thrived and continue to help realize the kingdom of heaven in this world.
